

## Company Overview

Carpentaria Contracting is a locally owned and operated multi-faceted organisation operating based in Weipa on the West Coast Cape York. The company head office, administration and workshop complex is located at [Evans Landing](#), the industrial zone of Weipa.

The Managing Director, Vance Wallin established Weipa Hire Pty Ltd in 1993. He has long term experience within Weipa and the far northern peninsula region highlighted the requirement for a contractor capable of a large scope of works and equipment to accommodate.

On 17th December 1996, Carpentaria Contracting was established as a division of Weipa Hire Pty Ltd to encompass all labour hire services provided previously under Weipa Hire.

Between 1999-2001 Carpentaria Contracting has further expanded its business activities through the purchase of Statewide Refrigeration and Air Conditioning (trading in Weipa for 8 years) and SP gardening Services (trading in Weipa 10 years.) In 2005 company established a branch office on Thursday Island to service the Northern Peninsula region and the Torres Strait.

In 2005 Weipa Hire Pty Ltd expanded operations further with acquisition of International Worklearn a registered training organisation, delivering workplace training the region.

Increasing demand for maritime services in 2006 Weipa Hire Pty Ltd established a marine division that operates a range of vessels and maritime support throughout the Gulf of Carpentaria, Torres Strait and East Coast.
